

COLLATERAL PROTECTION INSURANCE

Place or cancel coverage online via Tokio Marine Highland's iClient® or let TMH track customer insurance compliance

Backed by Lloyd's, London and carriers rated "A" Excellent by AM Best

Option to send customer insurance requirement letters on your behalf based on your prescribed timing

Dedicated account services representative for service requests

Prompt and professional claims handling by a TMH wholly owned claims management company

Protect your interest as lienholder by helping your customers protect theirs. Collateral Protection Insurance (CPI) is a win-win solution to managing risk and increasing or retaining business. CPI protects the loan collateral by providing coverage for your customers whose insurance cancelled, lapsed, or expired for various reasons.

Did you know?

- There are 6 million car accidents in the US every year or one accident every 11 seconds
- Road crashes cost the US \$230.6 billion per year, or an average of \$820 per person
- 72% of all crashes result in property damage
- Driving while using a cellphone reduces brain activity associated with driving by 37%
