BoomAIRang

Commercial Drone Insurance

The Sky is the Limit, Not the Coverage

BoomAIRang commercial drone insurance delivers comprehensive coverage that protects unmanned aircraft systems (UAS) fleets and eliminates common coverage gaps in a single policy.

BoomAIRang's commercial insurance covers drones with take-off weights up to 440 pounds, including coverage for detachable payloads, spares and ancillary equipment, related transport or dismantling, and much more.

Using BoomAIRang's quick-quote portal, brokers can instantly obtain a quote, receive certificates issued in real time, insure up to 100 drones per fleet, and benefit from outstanding claims service.

Supported by Tokio Marine Kiln's 50 years of Aviation underwriting excellence and backed by the financial strength of Tokio Marine, your clients can be confident they're purchasing the superior insurance protection they need to succeed in the sky.
